

JobsForGood.com is a dedicated jobs portal for career opportunities and information related to the social change and development sector.

'JobsForGood' is started by [MITRA](#) (India's leading volunteer recruitment and training organization [iVolunteer](#)).

Through the 'iVolunteer' initiative which reaches out to 300 plus organizations across India and overseas, MITRA has placed close to 5000 volunteers in the last 3 years. In the process of working with organizations and volunteers MITRA has developed skills in identifying manpower requirements and sourcing the right match for them. Along the way we have forged relationships with lots of NGOs and companies working in the social development sector. MITRA aims to leverage this experience in the social development jobs initiative.

'JobsForGood' mission is two fold:

1. Help development sector find the right kind of skilled professionals to work with their organization.
2. Help Individuals connect with exciting career opportunities in the social change and development sector.

Through a combination of online and offline services 'JobsForGood' seeks to meet the HR needs of development sector.

Services offered by 'JobsForGood':

Email the Job description to: Jobs@JobsForGood.com or queries at: Info@JobsForGood.com

The advantages of this service are:

1. Exposure – Each of the jobs gets indexed by major search engines within days; so you can be assured your postings will get a significant targeted exposure and traffic.

*Conditions Apply

2. Branding – The client's logo will be flashed 'JobsForGood' e-newsletter plus throughout the entire jobs portal.

3. **Dedicated Microsite development:** (Example: [Click here](#))

Microsite on 'JobsForGood.com' are "mini websites" which only show content and job opportunities specific to a particular client. Microsite are designed as per the look and feel of the client organization thereby delivering a seamless experience of the client's brand to the potential users.

Clients can list numerous job openings and other related information about the organization on the Microsite (Profile, partners, nature of work, etc.). All Microsite come with a dedicated URL (e.g. www.jobsforgood.com/microsite/icchn/) which can be easily placed on websites, print campaigns thereby directing users to one place where all the job requirement of the organizations are listed. Through Microsite organization can also manage responses against particular openings and modify new openings or add new ones.

The logo of the client who subscribes to this service is flashed on the home page generating eyeballs and thereby generating more responses.

The charge for Microsite development is INR 5000 (one time) plus INR 1000 per month as maintenance from second month onwards.

The clients can update postings, review responses through a dedicated account given with every Microsite. Microsite is designed using client's logos, information, and banner thereby giving a complete look and feel of their organization and thereby creating good branding. The logo of the Microsite is also displayed on the home page of www.JobsForGood.com

Offline services

One of our competencies is to take care of the recruitment needs of client organizations on turn key and ongoing basis.

Our broad terms and conditions for recruitment services are

- **Service Fee: 12.5% of the annual CTC**
- These rates will be applicable for a period of one year.
- The above excludes all applicable government taxes, service taxes and levies as applicable from time to time, which will be charged on the total invoice value as per the existing rates.
- CTC: This shall be the gross yearly salary including all allowances (house leased accommodation, company car expenses if any or conveyance allowance, Provident fund, Employees State Insurance, Leave travel allowance/concession, Medical reimbursement)

Our search team will find the right profiles for you and refer 3 CVs for each position after initial screening and telephonic interview.

Other Terms and Conditions
